# CHEHAD ABDALLAH

**BIO:**

Born: 20.06.1984

Based: Berlin

Languages: German, English

Chehad Abdallah is a German-Lebanese director from Berlin. His iconographic and authentic visual language has established him as one of the most sought-after music-video directors in Europe.

Like no other, he understands the genre as an art-form in its own right and has shot clips for international acts such as Akon, Tommy Cash, Solomun, Modeselektor, Ezhel, Robin Schulz and many more.

His likewise highly regarded work in the advertising sector for brands such as BMW, Audi, Adidas, Asics or Hornbach, has been awarded prizes such as the ADC Europe in Gold or the London International Award and lives, among other things, from its special power in terms of lifestyle and performance.

After gaining initial experience in feature-film directing, for example as 2nd Unit Director as well as Creative Director of the Netflix in-house production "Skylines" or as director of the short film "Weil Ihr nur Eure Hunde liebt", he is currently working on his first own tv-series.
