

RUHE TALENT MANAGEMENT

Tony Kopec is a filmmaker.

His love for movies from an early age made him a regular, or as he likes to call it, „a permanent guest“ at his local video stores in Berlin (his hometown).

After working as an editor, he soon developed a special interest in working as a cinematographer.

Tony was able to widen his experience by doing rigorous internships in Munich, Berlin and at Arri CSC in New York.

He graduated from the prestigious Film Academy of Baden-Wuerttemberg as a cinematographer.

During his studies, he received a nomination for „Best Student Cinematography“ at the Camerimage for his work on „Brueder“.

Tony has been responsible for a number of film and commercial productions.
